WOOD SHOP

WOOD SHOP
2850 CHIPETA AVE.
GRAND JUNCTION, CO 81501

Strive's Wood Shop is a small group program designed to teach skills such as measuring, hammering, use of power tools and safety. Staff in this program are experienced carpenters. Individuals work on projects for Strive and outside contracts.

ALIDA'S FRUITS

ALIDA'S FRUITS
3402 C 1/2 RD.
PALISADE, CO 81526

Alida's Fruits is a community based retail fruit store and producing kitchen that is owned and operated by STRiVE. Individuals that participate in this employment opportunity learn skills in retail sales, floor displays, gardening and production. The jams, salsas and syrups sold at the location are produced by the employees. This setting allows individuals to work with garden to table products which are sold within their community.

SWEET SUCCESS

2404 TELLER AVE.
GRAND JUNCTION, CO 81501

Strive's Sweet Success Program is a cooking and baking program in a small group setting. Individuals learn to read recipes, do measuring, use the stove and oven and all other cooking skills to them with independence. Sweet Success does small catering for other Strive programs and meetings along with making one meal a week for Early Intervention's Parenting classes.

SWEET BEGINNINGS

SWEET BEGINNINGS
2404 TELLER AVE.
GRAND JUNCTION, CO 81501

Strive's Sweet Beginnings Program creates soaps, candles and other bath and household cleaning supplies to sell to the public and at Uniquely Yours. Measuring, money counting and recipe reading are a few of the things taught in Sweet Beginnings. Individuals get the satisfaction of working on projects from beginning to sales and even receive feedback from customers.

MOBILE CREWS

MOBILE CREWS
2850 CHIPETA AVE.
GRAND JUNCTION, CO 81501

Strive's Mobile Crews are contracted by outside consumers to do all types of yard work. They use lawn mowers, trimmers, rakes and shovels in a small group setting. Safety while working is a big teaching point for this program, along with customer care.

GROUNDS AND RECYCLING CREWS

GROUNDS AND RECYCLING CREWS
